

**UNITED STATES DISTRICT COURT FOR THE DISTRICT OF UTAH
PROBATION AND PRETRIAL SERVICES OFFICE**

**WAIVER OF RIGHT TO HEARING PRIOR TO
MODIFICATION OF CONDITIONS OF SUPERVISION**

I have been advised by U.S. Probation Officer Shawn Parrish that he has submitted a petition and report to the Court recommending that the Court modify the conditions of my supervision in Case No. 2:22CR00309-001. The modification would be:

You must reside in and successfully complete a residential treatment program, with aftercare, until discharged with the approval of the U.S. Probation Office.

You must submit your person, property, house, residence, office, vehicle, papers, computer [as defined in 18 U.S.C. §1030(e)(1)], other electronic communications or data storage devices or media to a search, conducted by the probation office at a reasonable time and in a reasonable manner based upon reasonable suspicion of contraband or evidence of a violation of a condition of release; failure to submit to a search may be grounds for revocation; you must warn any other residents that the premises may be subject to searches pursuant to this condition.

I understand that should the Court so modify my conditions of supervision, I will be required to abide by the new condition(s) as well as all conditions previously imposed. I also understand the Court may issue a warrant and revoke supervision for a violation of the new condition(s) as well as those conditions previously imposed by the Court. I understand I have a right to a hearing on the petition and to prior notice of the date and time of the hearing. I understand that I have a right to the assistance of counsel at that hearing.

Understanding all of the above, I hereby waive the right to a hearing on the probation officer's petition, and to prior notice of such hearing. I have read or had read to me the above, and I fully understand it. I give full consent to the Court considering and acting upon the probation officer's petition to modify the conditions of my supervision without a hearing. I hereby affirmatively state that I do not request a hearing on said petition.

 ☒ **THE DEFENDANT ADMITS ALLEGATIONS**

☐ **THE DEFENDANT DENIES ALLEGATIONS**

As per the administrative staffing on September 19, 2024 before Supervising U.S. Probation Officer Hugh Watt and U.S. Probation Officer Shawn Parrish and by copy of this notice, the defendant agrees to the following control and correctional intervention strategies:

Chipman agreed not to associate with any known felons, persons engaged in criminal activity, and/or anyone who uses or distributes narcotics for the remainder of his term of supervised release. He has also agreed to attend residential substance abuse treatment services, including aftercare, to address his substance abuse addiction. As such, he agreed to have his special conditions of supervised release modified to include the following conditions:

1. You must reside in and successfully complete a residential treatment program, with aftercare, until discharged with the approval of the U.S. Probation Office.
2. You must submit your person, property, house, residence, office, vehicle, papers, computer [as defined in 18 U.S.C. §1030(e)(1)], other electronic communications or data storage devices or media to a search, conducted by the probation office at a reasonable time and in a reasonable manner based upon reasonable suspicion of contraband or evidence of a violation of a condition of release; failure to submit to a search may be grounds for revocation; you must warn any other residents that the premises may be subject to searches pursuant to this condition.

Should Chipman comply with these conditions, the Probation Office believes he could regain compliance and be successful while on his term of supervised release.

The Allegations have been explained and presented to me. I understand and will comply with the intervention remedies listed on this document. I fully understand that all previous conditions of supervision, including fine payments, remain intact. I further understand that if I commit any subsequent violations which result in a hearing before the Court, the charges listed herein may be re-alleged as violations for adjudication before the court.
